Dear Dy,

I would like to inform you that I am resigning from my position as Programmer Analyst II for FIS Global, effective March 13. I appreciate the opportunities for professional development that you have provided me over the past two years. I have enjoyed my tenure at FIS Global, and feel honored to have been apart of a supportive team.

If I can be of any help during the transition, please let me know. I am available to ensure all obligations are met before my last day of work. Thank you again for the opportunity to work at FIS. I wish you all the best and look forward to staying in touch. You can email me at erickodlc@gmail.com.

Sincerely,
